

THE
ZILLERS

THE WINE LIST

Dear Guest,

You are now holding the Ziller's wine list - a collection curated with the same care, love, and passion that define our spirit of philoxenia. Wine is, at its core, an agricultural product. It deserves to be treated as such, with respect and simplicity, yet, through its nature, it enriches our lives with flavours, experiences, and memories. From Homer to Shakespeare, wine has carried its timeless presence, just as enduring as the Parthenon before you. We invite you to explore our selection of carefully chosen Greek and International wines, each with each own story to tell.
